

# Portsmouth's First Citizen

## SPONSORSHIP OPPORTUNITIES

For 76 years, the citizens of Portsmouth have honored an individual for his or her contributions to the community by naming that individual Portsmouth's First Citizen.

The First Citizen is an individual who embodies the spirit of citizenship through service to the community for the sole purpose of and in the spirit of giving. This spirit is evidenced by the individual's civic, charitable and religious contributions to fellow citizens, the Portsmouth and Hampton Roads communities, the state and country without remuneration and over and above the pursuit of his or her chosen vocation.

This year's First Citizen awardee, to be announced in February, will be honored at a banquet on April 30, 2010, at the Renaissance Portsmouth Hotel. All proceeds from this event will be given back to the Portsmouth community through two charities:

- **EdMarc Hospice for Children**, the oldest pediatric hospice in the country, which serves children with a potentially life-limiting illness and their families, regardless of their ability to pay. Their mission is to ease the trauma of a child's illness or death and reduce the disabling effects of pediatric illness, loss and bereavement on families.
- **A second organization of the First Citizen's designation.**
